### **OBJECTIVE**

Join an organization/institute that incorporates professional and individual capability in which I can use training, experience, and abilities to impact knowledge and serve humanity for a better livelihood.

### **KEY SKILLS AND COMPETENCES**

- Creative and innovative with ambitions of developing best practices.
- Mentoring skills.
- Ability to adjust to different environments and situations when the need arises.
- Proficient knowledge of RH/FP, HIV, AIDS, and TB management, and programs.
- Excellent report writing skills.
- Ability to communicate effectively.

### **EXPERIENCE**

**April 2025 to date: Murang'a University of Technology**

**Position – Assistant Lecturer, Department of Health Sciences**

#### ***Responsibilities***

- Planning, lecturing and evaluating medical students
- Supervising students in the clinical areas.
- Moderate grand rounds.
- Bedside teaching through demonstration of clinical signs, critiquing of students' bedside history presentations, and offering practical guidance one-on-one with the patient at the bedside.
- To better assess individual students' capacity and grasp of clinical reasoning I have been offering structured clinical scenarios to each student as take-home assignments upon which a review and critique of the student's reasoning is done by fellow students in my presence.

**January 2020 to April 2025: University of Kabianga**

**Position – Clinical Instructor, Department of Clinical Medicine**

#### ***Responsibilities***

- Supervising students in the clinical areas.
- Demonstrate the clinical skills to the students.
- Guide the students on history taking, diagnosis, and discussion conditions
- Moderate grand rounds.
- Bedside teaching through demonstration of clinical signs, critiquing of students' bedside history presentations, and offering practical guidance one-on-one with the patient at the bedside.
- To better assess individual students' capacity and grasp of clinical reasoning I have been offering structured clinical scenarios to each student as take-home assignments upon which a review and critique of the student's reasoning is done by fellow students in my presence.

#### **Other duties**

- Oversight of ERP on behalf of the HoD
- Department ISO champion.
